INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Shukla Financial Services, Inc.
West Paterson, New Jersey

We have audited the accompanying balance sheet of Shukla Financial Services, Inc. as of December 31, 2001, and the related statements of income, retained earnings and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Shukla Financial Services, Inc. at December 31, 2001, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information contained in Schedules I, II and III are presented for the purpose of additional analysis and are not required part of the basic financial statements, but supplementary information required by rule 17a - 5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SHUKLA FINANCIAL SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Shukla Financial Services, Inc. (“the Company”) is a registered broker-dealer in securities under the provisions of the Securities Exchange Act of 1934 and is a member of the National Association of Security Dealers, Inc.. The Company’s business is primarily to act as a broker in the trading of securities for the customers’ accounts.

Securities Transactions

Securities transactions and related commission revenues and expenses are recorded on a trade date basis.

Cash and Cash Equivalents

Cash and Cash Equivalents include cash, money market funds and debt securities purchased with maturity of three months or less. The carrying amount approximates the fair market value.

Property and Equipment

Property and equipment are recorded at cost and are depreciated using the straight-line method over their estimated useful lives. Accelerated methods of depreciation are used for tax purposes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimated and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SHUKLA FINANCIAL SERVICES, INC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2001

NOTE 6 – COMMITMENTS

Customer Transactions

In the normal course of business, the Company executes, as agent, securities transactions on behalf of its customers. If the agency transactions do not settle because of failure to perform by either the customer or the counterparty, the Company may be obligated to discharge the obligation of the nonperforming party and, as a result, is subject to market risk if the market risk of the securities is different from the contract amount of the transactions.

The Company does not anticipate nonperformance by customers or counterparties in the above situations. The Company's policy is to monitor its market exposure and counterparty risk. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each counterparty and customer with which it conducted business.

Board of Directors
Shukla Financial Services Inc.
West Paterson, NJ 07024

In planning and performing our audit of the consolidated financial statements and supplemental schedules of Shukla Financial Services Inc, for the year ended December 31, 2001, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because Shukla Financial Services Inc. does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by Shukla Financial Services Inc. in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of Shukla Financial Services Inc. is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which Shukla Financial Services Inc. has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become

inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matter in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that Shukla Financial Services Inc.'s practices and procedures were adequate at December 31, 2001, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
